Mrs. Maude Griffiths attended the circus in Providence Monday.

Miss Alma Schesman is spending the summer vacation in Maine.

Miss Ruth Cole of Hopkins Mills and Mrs. Stapleton and son of Pawtucket, R. I., have been visiting Mrs. Luther Cole.

Mrs. G. W. Newcomb was in Worcester the past week.

A kitchen dance was held Saturday evening at the home of Byron Place. Joe Shippey's orchestra furnished music.

Mrs. Lola Brayton is caring for the sick in Rockland, R. I.

Mrs. Emma Wood is improving and is able to be around the house, although not very strong.

DANIELSON AND PUTNAM NEWS

DANIELSON

As a feature of their effort to improve the service, the Connecticut company has adopted a new schedule of running cars on the local lines and this service, now in effect, cuts the travel time between Danielson and Putnam to 35 minutes, instead of 45 minutes. The hourly service is maintained and persons here will not note any change in arrival or departure time of cars in Danielson center. Northbound cars will continue to leave here at 9 minutes after the hour and southbound cars at 20 minutes after the hour.

Southbound cars will arrive at Central Village at 40 minutes past the hour and will leave there northbound at 45 minutes past each hour.

At Ellenville northbound cars will arrive at 19 minutes past the hour and southbound cars will leave that station at 10 minutes past the hour.

At Dayville northbound cars will arrive at 24 minutes past the hour and southbound cars will leave that place at 4 minutes past the hour.

At Putnam northbound cars will arrive at 44 minutes past the hour and southbound cars will leave at 43 minutes past the hour.

At North Grosvenordale northbound cars will arrive 13 minutes past the hour and will leave, southbound, at 15 minutes after the hour.

It is felt that this improved service easily can be maintained under a new arrangement of operation that has been worked out by the company.

About 15 tons of standing grass for sale on ten acres. Apply to P. P. Jordan, Danielson.

Two electrically driven motor vehicles have been received here, one by Attorney Arthur G. Bill, the other by E. E. Hopkins.

Employers of ordinary laborers say that more men are now looking for work in this section than has been the case at any time during the past four years.

Men of the road force working under Fred Shippey are engaged in scraping the highway between South Killingly and Danielson.

There was a constant stream of inquiries during Tuesday for information relative to the doing of the democratic national convention at St. Francis.

Mrs. Abby Hopkins, operator at the Danielson central telephone office, is assisting the force in the Putnam center office during the present week.

Francis C. Lewis of Portland, Me., was a visitor with friends in Danielson on Tuesday.

In the Wardell case, it appears that there is no escape from a heavy expense account, win or lose on the part of the town of Killingly. The cost of contesting the case already is very heavy.

Henri L. Baer of the Palisade kennels has been here from his place at Newdale, N. Y., for a visit and business trip.

Mrs. Cora Logue one of Danielson's teachers, will attend the summer school at Yale university.

Harry O'Reilly, member of the office force of the Danielson Cotton company, after completing his work here, is to make his home in Pawtucket.

The union evening service scheduled for next Sunday is to be held at the Methodist church.

Small boys are not withstanding the strain of awaiting the Fourth before trying out their new purchases of fire crackers, which may be heard sputtering in many sections of the town at about any time during the day.

Miss Marion D. Chollar is the newly elected president of the Westfield auxiliary of the Woman's Board of Missions of the Congregational church.

A new bulkhead is being built and repairs made along the ditch at the plant of the Davis and Brown company at East Killingly, this plant having suspended operations while the repairs are being made.

Representatives of cotton manufacturing plants in this immediate vicinity say that prospects are good for uninterrupted operation of the mills under the present high pressure of production. While the cotton industry has been quite hard hit, cotton is still booming.

PUTNAM

Mrs. Hiram Brown, of Oak Hill, who has been visiting in Worcester and North Brookfield, Mass., has returned to Putnam.

Edmund Anderson of South Woodstock, who was graduated from Clark college, Worcester, has been appointed instructor in chemistry at the University of Vermont.

Guarantors of the Putnam Chautauque this year will not be called upon to make up any deficit.

With census returns for cities throughout the country being announced daily, there is considerable speculation here concerning the population of Putnam.

It is generally felt that this city now has over 10,000 inhabitants, this being based on the last school enumeration.

Anselm Mayotte post, of the American Legion, will meet next Tuesday night at 8 o'clock in the rooms of the Putnam Chamber of Commerce. The post's membership committee is making considerable effort this week in order to be able to announce at that time that the number of members in good standing has passed the 200 mark, for with that number members the post will be entitled to four delegates and four alternates at the state convention of the legion, to be held during the latter part of August in Bridgeport. If the records do not show at least 200 members in good standing the post will be allowed only two delegates and two alternates. Present plans are for the Putnam post to be fully represented at the convention. It is expected that the trip to Bridgeport with the delegates will be made by automobile.

Mr. and Mrs. J. O. Wood, of Columbus, Ohio, have arrived in Putnam and have opened their camp on the shores of Woodstock lake. This year they have about 25 boys under their care, including some from Oklahoma, Georgia and Illinois.

A statement issued by the officials of the New England Farmers' association that the extra gang of men who struck last week Thursday at Webster have returned to their work, and that eleven out of the eighteen who struck at Putnam are working again.

According to F. L. Davis, county agent of the Windham County Farmers' association, farmers throughout this section have begun to harvest their hay crops. Earlier in the season it was feared that the crop would be unusually light, but according to Mr. Davis farmers are getting a much better crop than they had expected. The great difficulty in harvesting this year is lack of labor, and many farmers are finding themselves severely handicapped because of this fact.

James E. Barnes left Putnam Monday for a trip to Buffalo, N. Y.

Attorney Charles L. Torrey was in Hartford Tuesday attending a meeting of the state board of education.

L. S. Barstow of Killingly, P. J. Chabon of Plainfield, C. E. Fennedy of Putnam, G. S. Bowen of Eastford, Leonard H. Healey of Woodstock and County Farm Agent P. L. Davis of Putnam were in Orange last week attending a state agricultural demonstration at Fair Haven.

In addition to seeing some fine cattle they had the opportunity to visit a modern farm.

L. Stanley Kelley is to arrive at Eastford this week to open the boys' camp that he conducts on Crystal lake each summer. About 50 boys are to be with him this season.

Whitman Danielson of Putnam, treasurer of the Windham County Farmers' association, has tabulated the returns in the association drive for new members throughout this county, and has given the following report by towns, the figures being those of June 22:

Town	New Members	Total Membership
Ashford	18	26
Canterbury	10	31
Chaplin	1	13
Eastford	6	25
Hampton	8	15
Putnam	15	42
Plainfield	15	79

Putnam	15	28
Scotland	1	20
Sterling	1	44
Thompson	14	65
Windham	33	35
Woodstock	4	1
Total	159	450

At a meeting of the directors of the association last Friday Mr. Danielson reported that there was much interest in the campaign throughout the county. The directors are pleased with the progress that is being made in the drive for new members, and expect that the full quota will be reached in all the towns.

pear, and the graded schools, \$30 a year. The new tuition fee at the high school is to be \$80 a year, while the fee for instruction in the graded schools has been jumped to \$40. At the same time the committee voted that payments of tuition by out of town students should be made in a definite way, this applying to all those who are liable to the payment, except those pupils coming from towns where the tuition charges are assumed by the town or pupils who are sent to Putnam schools by the county authorities. Aside from these two exceptions, payments must be made one-half in advance during the first week of the school year, and the balance in advance during the 21st week of the school year. In those cases where pupils leave school after the paying of the tuition, and before completion of the period for which the tuition was paid, a rebate will be made pro rata, according to the number of weeks actually attended.

It was also voted that no exemptions are to be granted to pupils who are living temporarily in the town of Putnam. In the past a number of pupils have attended the Putnam schools each year, whose actual residence was some town outside of Putnam, but these pupils, to secure the advantages of the Putnam schools, took up residence for five days a week in this city. The new ruling of the school board will no longer permit their attending the Putnam schools unless a tuition payment is made.

In speaking of the action taken Monday, one member of the school board remarked: "During the past year it has cost the town of Putnam \$100 to give one child a year's schooling. Next year the cost to the town for each pupil will probably reach \$125. It can thus be seen that even the new advanced rates do not actually cover what it costs the town to give instruction in its schools for one year to those pupils who come from out of town. We are not asking that these pupils pay the full cost; we are merely asking that they help meet the

expenses incurred in giving them an education."

The Putnam fire department was called out Monday night, shortly after 11 o'clock for a fire on the roof of the house located at the corner of Providence and Marshall streets. The property is owned by Julius Laflamme. The blaze was discovered a little before 11 and a call was sent to Chief Constable D. Arnold who on arriving, he found that ladders were needed in order to extinguish the blaze, so a general alarm was sounded. It is thought that the fire was started by a sky rocket which boys in the neighborhood shot off just previously. The damage was slight.

Considerable damage in Putnam gardens resulted from the sudden and severe thunders of Tuesday afternoon. The force of the heavier hail to the ground much of the vegetation that was getting a good start in home gardens.

Doctor Tells How to Strengthen

Eyesight 50 Per Cent in One

Week's Time in Many Instances

A Free Prescription You Can Have Filled and Use at Home.

Philadelphia, Pa.—Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me. A lady who used it says: 'The atmosphere seemed heavy, with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses.' It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rule. Here is the prescription: Go to any active drug store and get a bottle of

Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water, and allow to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and everything seems clear. I can even read fine print without glasses.' It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. NOTE: Another prominent physician to whom the above article was submitted, said: "Bon-Opto is a very reasonable remedy. Its essential ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturer guarantees it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good drug store and is one of the very few preparations I feel should be kept on hand for regular use in almost every family. It is sold in this city by all good druggists, including The Lee & Osgood Co."
